

ARAMC 2012
PO Box 94
Enfield, NS, B2T 1C4

My fellow Aviation Associates,

It's that time of year again and we're getting prepared for the 2012 Atlantic Region Aircraft Maintenance Conference, which is to be held from March 21-23rd, 2012, at the Marriott Harbourfront Hotel in Halifax, NS. We're very excited about the upcoming event and expect to have another wonderful turnout in 2012.

Attendance to this conference is usually in excess of 300-plus, and in these ongoing uncertain, tough financial times, we feel that the relatively low registration cost and special hotel rates will provide more 'bang for your buck.' I am confident our fill-rate will be 100% before too long.

Please review the several attachments, among which include the registration forms as well as opportunities for financial support. The reason we seek your financial support, is that this is a non-profit event. Coffee Breaks and Lunch Breaks are all available for funding. Your company name/logo will be prominently displayed at the venue of your choosing and reiterated during the Technical Presentations. Door prize and critique sheet prize draw items would also be greatly appreciated and well received.

I look forward to seeing you all in March 2012. Please help us continue to make it a success!

The following link will take you to the reservations web page, where you can take advantage of the special conference rate:

WE LOOK FORWARD TO SEEING YOU AT THE 2012 CONFERENCE!

**P.O. Box 94
Enfield, NS, B2T 1C4**

October 19, 2011

Each year, representatives of the Atlantic Aviation community and Transport Canada organize and conduct the **Atlantic Region Aircraft Maintenance Conference (ARAMC)**. The 34th Annual Conference will once again be held at the Marriott Harbourfront Hotel, in downtown Halifax, Nova Scotia from March 21-23, 2012.

The ARAMC provides a forum for the various aspects of the aircraft industry. It is a conference which is both technically and administratively beneficial to aircraft maintenance engineers, apprentices, aircraft owners and operators. Topics presented and discussed include: aircraft maintenance, technological advances, aviation regulations, and safety programs. Another very important portion of the ARAMC is the Awards Banquet, whereby individuals from Atlantic Canada are honoured for their outstanding achievements and contributions to the aviation industry.

The ARAMC Committee is comprised of individuals, from both private industry and Transport Canada, who volunteer their time and services to ensure the conference is a success year-after-year. It is heartening to note that since its inception 34 years ago, the conference has been encouraged and supported by aviation organizations and the business community alike, for which we are very grateful. Between the alternating host cities, Halifax, Moncton and St. John's, the ARAMC continues to be a success, while enjoying a reputation as a favourite annual event of displays and delegates alike.

To ensure the continued success of the ARAMC, I am soliciting your support in the form of a financial contribution (to support a coffee break or lunch break) *or* prizes to be drawn during the course of the conference. All contributions will be acknowledged on our program of events at the conference.

Your consideration and support is greatly appreciated.

Sincerely,

Gerald Mallon
